## Sutton Solar Action Group Update

The Department of Planning Industry and the Environment (DPIE) have completed their assessment of the Springdale Solar project and the Department considers that the project is "approvable". They have forwarded that assessment to the Independent Planning Commission (IPC) for their final determination.

The proposed timeline for the IPC process is as follows:

- request to speak at the public meeting, by noon 17 Dec 20
- video conference with YVC 12.30pm 8 Dec 20
- video conference with DPIE 2pm 8 Dec 20

- virtual public meeting by video conference or telephone, 10am 22 Dec 20

- written comments (after the video conference meeting!) by 5pm 11 Jan 21

For more detailed and up to date information, please refer to the SSAG website
