Dear Mrs Tuckerman

A handwritten signature in blue ink, appearing to read "Wendy".

Thank you for your correspondence on behalf of the Sutton and District Community Association, to the Hon Paul Scully MP, Minister for Planning and Public Spaces, about the Springdale Solar Farm. The Minister has asked that I respond on his behalf.

I am advised that staging approval for this project was granted on 18 July 2025. This approval allows the development to proceed in stages and requires the submission of specific plans for preconstruction works, as outlined in condition 3 of Schedule 4 of the development consent.

Before preconstruction works commence, a Traffic Management Plan must be submitted and approved by the Planning Secretary. I can advise that a Traffic Management Plan has been lodged and is currently being assessed.

The works proposed at this time are preconstruction works and do not constitute construction activities as defined in the consent. The conditions referenced in your letter relate to construction, not preconstruction works.

For more information, including the staging approval letter, please visit the Major Projects Portal at www.planningportal.nsw.gov.au/major-projects/projects/springdale-solar-farm.

Should the Sutton and District Community Association have any further questions, Ben Harrison, Director, Planning Compliance, at the Department of Planning, Housing and Infrastructure can be contacted on 02 6575 3402 or benjamin.harrison@planning.nsw.gov.au.

Thank you for bringing this to the Minister's attention.

Yours sincerely

A handwritten signature in blue ink, appearing to read "S Bali".

Stephen Bali MP

Parliamentary Secretary for Planning and Public Spaces
